

IMPORTANT INFORMATION

Tournament Locations:

RMTC Boulder at Millennium Harvest House Hotel.
For room reservations, please call 303-998-2480.

CU South Tennis Complex

Directions to CU South Tennis Complex:

The access road goes south from Table Mesa Drive just west of the Turnpike interchange. The facility is serviced by portable restrooms only.

Players must be USTA members. The USTA is offering a free one-year USTA membership to new 10 & Under players. For more information please visit www.usta.com

Modified Formats*: formats different from traditional brackets:

MFic: Modified Feed-in Consolation: a draw in which players who lose in the main draw are fed back into another draw against players who lost in earlier rounds of the tournament.

Round-robin events: Another player-friendly format, these draws guarantee competitors multiple matches as they play against every other player in their draw or flight. Flights typically consist of three to four players/teams.

Colorado State MOJO format has yet to be determined.

ITA Summer Masters feed in through round of 16's.

Babolat Boulder Open due to size of event is single elimination.

All junior RMTC Series events (1-2 day) are Round Robin format

Tournament Schedule 2017

2017 RMTc TOURNAMENTS

RMTc Tournament Philosophy

At RMTc, we believe in giving all players, regardless of level, a chance to play the same amount of tennis regardless of results. In normal formats, tournaments are set up such that players who succeed in early rounds receive opportunities to play more matches and acquire more experience. Players who don't advance are not given this opportunity. This then quickly widens the gap in competitive skill between the players who get more matchplay opportunities and players who don't. Ultimately, the more experienced players work themselves out of local competition much more quickly due to this gap. At RMTc, we make it possible for less experienced players to receive matchplay opportunities at the same rate as players who advance in main draw competition. Our goal is ultimately to afford each player that enters our tournaments the same amount of competitive experiences.

Competition

When players are exposed to the proper environment and given the opportunity to put forth effort, competitive sports provide profound life-skills benefits. These benefits include physical, mental (perseverance, determination, coping skills, etc) and social (cooperation, teamwork, friendships) development. Not only is competition fantastic for children and adults, but it is also tremendously fun!

2017 Big Book of Colorado Tennis

The 2017 Big Book of Colorado Tennis is now available online through the USTA Colorado digital newsstand. This year's Big Book has a complete run-down of the new rules affecting youth tournament competition, as well as the complete 2017 youth and adult sanctioned tournament listings for Colorado. To download the 2017 Big Book and familiarize yourself with the new rules of youth tennis, please visit www.colorado.usta.com
